Clubhouse Walls

Thanks to the help of our donors and volunteers, we were able to update our walls and paint them! The VOLCANOES Unit walls are now a nice blue-green color that highlights our floors nicely. The ATN Unit is now a lovely yellow. Both colors really brighten up Clubhouse.

We are also wanting to display more artwork from our members. If you have any pieces that you would like for us to display within the Clubhouse, let us know, and we'll be more than happy to put them up on the walls.

Alvin's Computers

Camelin (a new member) recommended an organization through Easter Seals which donates computers to individuals with disabilities. In order to obtain a computer, the person will call Alvin at (317)466-1000 and ask for an application. After filling out the application, the person can submit it on-line or by postal mail. Once the application has been submitted, Alvin will inform the person of when they can pick up the computer. The person must go pick up the computer in-person. The address is 4740 Kingsway Drive. If you show your SNAP card or benefits card, you can also get the internet for \$10/month. For internet, call AT&T ACCESS at (855)220-5211.
